

Volunteers Needed For The December 9th, 2006 Swap Meet

Planning for the December Swap Meet at the Marriott Pyramid is going very well. However, I still need at least six volunteers to help with the admission desk, conduct the raffle and sell raffle tickets. I need to have all the volunteer names before December 6th so that I know I can count on you being there ahead of time.

Please note to all vendors: The easiest access to the Swap Meet is through the West doors by the large Convention sign.

Please call or e-mail Ed B. Thank you for your cooperation.

Jon S and James J are members of the Socorro Train Gang and also members of TTOS/NMD. Under Jon's leadership, these two clubs co-sponsored the Socorro Swap Meet again this summer.

While in Socorro, Tim O took some photos of the Train Gang's layouts upstairs in the historic Hammel Museum, including the two on the left. Open the first Saturday of each month, the Hammel Museum and the Train Gang's layouts are well worth a visit.
